

## Supporting Duke of Edinburgh's Hillary Award

Adventureworks has successfully delivered specific Duke of Edinburgh events to schools over the last year. We are pleased to provide this calendar of events open to all students who are on the pathway.

We have experienced and qualified staff who enjoy delivering quality training, practice and expeditions. We have robust safety systems in place and provide thorough information for participants and parents.

Most of our tramps occur in the Waitakere Ranges with students meeting us at the start of the trail. We run practical and hands on training that prioritises learning through experience, our training occurs at the Mt Albert Unitec Campus.
