

## Consent to assess unit standard 2019

Adventure Works is an Auckland based Private Training Establishment. We specialise in the development and delivery of Educational Programmes using outdoor and adventurous activities for both personal and skill development. We have a broad scope to deliver unit standards in the Outdoor Recreation domain to Level 5, and also offer certificates based around some of the unit standards below. Learning through Adventure Centered Experiences enable students to gain increased sense of self-worth, confidence and personal and social effectiveness all while gaining credits toward NCEA.
